This policy is issued subject to the terms, conditions, and exclusions set forth in this document. Please read the policy wording carefully. Keep this document in a safe place.

Section 1: Definitions

- Insured / Policyholder:** Mr. Arjun Mehta, as named on the Schedule of Benefits.
- Sum Insured:** The maximum amount payable by HealthGuard under this policy per policy year, being **₹10,00,000**.
- Hospitalization:** Admission to a registered hospital for a minimum of 24 consecutive hours for medically necessary treatment.
- Day Care Treatment:** Medical procedures that require less than 24 hours of hospitalization due to technological advancements, as listed in Annexure A.
- Pre-existing Disease (PED):** Any condition, ailment, injury, or disease diagnosed or treated in the 48 months prior to policy inception.
- Network Hospital:** A hospital empanelled with HealthGuard for cashless treatment, listed at www.healthguard.in/network.
- Deductible:** The amount of **₹5,000** per hospitalization event that the insured must bear before coverage applies.
- Co-payment:** A fixed share of 10% of the admissible claim amount borne by the policyholder for each claim.
- Waiting Period:** The period from policy inception during which specific benefits are not available.
- Cashless Facility:** Direct settlement of bills between HealthGuard and a network hospital without cash payment by the insured.
- AYUSH:** Treatment under Ayurveda, Yoga, Unani, Siddha, and Homeopathy systems of medicine.

Section 2: Eligibility & Underwriting Criteria

2.1 Entry Age

Category	Minimum Age	Maximum Entry Age	Renewal Age
Primary Insured (Individual)	18 years	65 years	Lifelong
Spouse / Dependent Adult	18 years	65 years	Lifelong
Dependent Children	91 days	25 years	25 years

2.2 Underwriting Risk Classification

All applicants are assessed at proposal stage. Risk is classified as Standard, Rated, or Declined based on medical history, occupation, and lifestyle disclosures.

Risk Class	Description	Premium Impact
Standard	No significant health conditions; normal occupation	Base premium applies
Rated – Class I	Controlled chronic conditions (e.g., controlled diabetes HbA1c < 7.5%, controlled hypertension)	20% loading on base premium
Rated – Class II	Higher-risk conditions (e.g., diabetes with complications, obesity BMI > 35)	40% loading on base premium. Specific exclusions may apply

Declined	Active malignancy, end-stage organ failure, HIV/AIDS	Policy not issued
----------	--	-------------------

2.3 Medical Underwriting Requirements

Applicants aged 45 years and above, or those with declared medical conditions, must undergo the following pre-acceptance medical tests at HealthGuard-approved diagnostic centres:

- Complete Blood Count (CBC)
- Fasting Blood Glucose & HbA1c
- Lipid Profile
- ECG (for applicants aged 50+)
- Urine Routine & Microscopy
- Chest X-Ray (for applicants aged 55+)

HealthGuard reserves the right to decline, rate, or impose specific exclusions based on the results of medical underwriting.

Section 3: Coverage & Benefits

3.1 Inpatient Hospitalization (IPD)

HealthGuard covers medically necessary inpatient hospitalization expenses up to the Sum Insured per policy year. Coverage includes:

Room & Board: Up to ■5,000 per day (single standard AC room). ICU charges covered up to ■10,000 per day.

Surgeon / Anaesthetist / Specialist Fees: Covered as per actuals, subject to reasonable and customary charges.

Operation Theatre Charges: Covered up to ■1,50,000 per surgery.

Diagnostic Tests: All hospital-ordered diagnostic tests during hospitalization are covered.

Medicines & Consumables: Covered as prescribed and consumed during the hospital stay.

Ambulance Charges: Covered up to ■2,000 per hospitalization event.

Pre-hospitalization Expenses: Medical expenses incurred up to 30 days before hospitalization for the same illness.

Post-hospitalization Expenses: Medical expenses incurred up to 60 days after discharge for the same illness.

3.2 Day Care Procedures

The following Day Care procedures are covered under this policy, even if hospitalization is less than 24 hours:

- Cataract surgery
- Chemotherapy
- Dialysis
- Angiography
- Lithotripsy (kidney stone removal)
- Tonsillectomy
- Appendectomy (laparoscopic)
- Radiotherapy
- Dental surgery (following an accident)
- Joint aspiration

3.3 AYUSH Treatment

In-patient treatment under AYUSH (Ayurveda, Yoga, Unani, Siddha, Homeopathy) at government-recognised AYUSH hospitals is covered up to ■30,000 per policy year, subject to minimum hospitalization of 24 hours.

3.4 Domiciliary Hospitalization

Medical treatment taken at home under a registered medical practitioner's advice, where hospitalization would otherwise have been required, is covered up to ■50,000 per policy year. Treatment must exceed 3 consecutive days.

3.5 Maternity Benefit (Optional Add-on)

This policy does NOT include maternity cover under the base plan. Maternity benefit is available as an optional add-on after a waiting period of 24 months from policy inception. Benefits under the add-on:

- Normal delivery: ■50,000
- Caesarean delivery: ■80,000
- Pre & post-natal care: ■5,000
- Newborn coverage: Included from birth under the base policy

Note: Maternity add-on is NOT active on this policy as the insured has not opted for it.

Section 4: Waiting Periods

Waiting Period Type	Duration	Conditions Covered After Waiting Period
Initial Waiting Period	30 days	All illnesses (accidents are covered from Day 1)
Pre-existing Disease (PED)	36 months	Conditions diagnosed/treated before policy inception
Specific Disease Waiting Period	24 months	Hernia, Cataract, Knee replacement, Piles, Fistula, Sinusitis, Thyroid disorder
Maternity Waiting Period (add-on only)	24 months	Delivery and maternity-related expenses
Mental Illness	24 months	Psychiatric disorders, clinical depression (DSM-5 classified)

Important: The policy inception date is 01 April 2024. Accordingly, the 36-month PED waiting period expires on 31 March 2027. The 24-month specific disease waiting period expires on 31 March 2026.

Section 5: Exclusions

5.1 Permanent Exclusions (Not covered at any time)

1. Treatment of HIV/AIDS or any sexually transmitted infection (STI).
2. Self-inflicted injuries, attempted suicide, or any treatment arising thereof.
3. War, invasion, terrorism, nuclear, chemical, or biological warfare.
4. Cosmetic, aesthetic, or plastic surgery not necessitated by an accident.
5. Dental treatment other than as necessitated by an accidental injury.
6. Vision correction (spectacles, contact lenses, LASIK surgery).
7. Infertility treatments, assisted reproduction (IVF, IUI, ICSI).
8. Obesity treatment, bariatric surgery, or weight management programmes.
9. Experimental or unproven treatments not backed by clinical evidence.
10. Treatment outside India (foreign medical expenses).
11. Drug/alcohol addiction, de-addiction treatment.
12. Congenital external diseases or defects.

5.2 Waiting-Period Exclusions (Covered after applicable waiting period)

1. Pre-existing diseases as declared or discovered at underwriting (36-month PED waiting period applies).
2. Hernia, hydrocele, fistula, piles, varicose veins (24-month waiting period).
3. Cataract and other eye disorders requiring surgery (24-month waiting period).
4. Knee and hip replacement surgeries (24-month waiting period).
5. Thyroid and parathyroid disorders (24-month waiting period).
6. Sinusitis and related ENT conditions requiring surgery (24-month waiting period).
7. Mental illness and psychiatric disorders (24-month waiting period).

Section 6: Claims Procedure

6.1 Cashless Claims (Network Hospitals)

Step 1: Present your HealthGuard Health Card and a valid photo ID at the hospital's Insurance Helpdesk.

Step 2: The hospital will send a Pre-Authorization Request to HealthGuard's TPA within 4 hours.

Step 3: HealthGuard TPA will respond with approval or query within 2 hours of receiving a complete request.

Step 4: Upon discharge, the insured pays only the deductible (₹5,000), co-payment (10%), and any non-admissible expenses.

Step 5: Emergency cashless: Pre-authorization must be sought within 24 hours of admission.

6.2 Reimbursement Claims (Non-Network Hospitals)

Step 1: Intimate HealthGuard within 48 hours of planned hospitalization or within 24 hours of emergency admission (call 1800-HG-CARE).

Step 2: Collect all original bills, receipts, prescriptions, discharge summary, and diagnostic reports.

Step 3: Submit the completed Claim Form along with all documents within 30 days of discharge.

Step 4: HealthGuard will process and settle the claim within 30 working days of receiving complete documentation.

Step 5: Payment will be made by NEFT/RTGS to the bank account registered with HealthGuard.

6.3 Documents Required for Claim

- Completed and signed Claim Form (Form HG-CLM-01)
- Original hospital bills, receipts, and payment proofs
- Discharge summary signed by the treating physician
- All diagnostic test reports and prescriptions
- Doctor's referral letter (for planned hospitalization)
- Copy of the policyholder's photo ID and policy number
- NEFT details (bank account number, IFSC code)
- First Information Report (FIR) in case of accidental claims
- Post-mortem report (for death claims)

Section 7: Deductible & Co-payment

7.1 Deductible: A compulsory deductible of **₹5,000 per hospitalization event** applies. This amount is borne by the insured and is not covered under the policy.

7.2 Co-payment: The insured bears **10% of the admissible claim amount** for each and every claim after the deductible has been applied. This co-payment cannot be covered by any other insurance policy.

7.3 Example Calculation:

Component	Amount
-----------	--------

Total Hospital Bill	■1,20,000
Less: Non-admissible charges (e.g., telephone, food)	– ■3,000
Admissible Claim Amount	■1,17,000
Less: Deductible	– ■5,000
Balance after Deductible	■1,12,000
Less: Co-payment (10%)	– ■11,200
Amount Payable by HealthGuard	■1,00,800
Amount Payable by Insured (deductible + co-payment)	■16,200

Section 8: Renewal & Cancellation

8.1 Renewal

This policy is renewable on an annual basis. Renewal notice will be sent 45 days before expiry. A grace period of 30 days is allowed for premium payment without loss of continuity benefits. HealthGuard guarantees lifetime renewal subject to the insured meeting the terms of the policy.

8.2 No-Claim Bonus (NCB)

For every claim-free policy year, the Sum Insured is enhanced by **10%**, up to a maximum of **50%** of the original Sum Insured, at no additional premium. In the event of a claim, the accumulated NCB is reduced by 10% at the next renewal.

8.3 Policy Cancellation

The insured may cancel this policy by giving 15 days' written notice. Premiums will be refunded on a pro-rata basis for the unexpired policy period, provided no claims have been made. HealthGuard may cancel this policy on grounds of misrepresentation, fraud, or non-disclosure of material facts, with 15 days' notice.
